Gateway Safety's New Frontier

One small step for Gateway Safety...one giant leap for mankind...or something just short of that.

As a trusted manufacturer of eye protection products, Gateway Safety is proud to introduce a complete line of hearing protection products.

It's more than a line extension. We enter this new category with the same approach that has made us a recognized leader in eye safety. Our approach: top quality products, extremely competitive pricing and professional service.

Gateway Safety's line of hearing protection is complete, offering protection from 22 NRR to 31 NRR.

For superior hearing protection, trust the name you trust for eye protection. Trust Gateway Safety.
