

StarLite™

Still The One...The Original. The Best.

StarLite™ is super cool and incredibly light. Weighing less than one ounce, **StarLite™** is extremely comfortable and low-cost protective eyewear that offers excellent all-around impact protection.

*Revolutionary in its design...*The sleek and compact **StarLite™** is extremely popular and often imitated. But **StarLite™** is unmatched for ultra lightweight wearability; superior optical quality; and its comfortable, snug-fitting, wrap-around body that provides improved impact protection around the eyes.

StarLite's™ integral unitary lens has two distinct viewing areas, each featuring a 9.75 base curve. Dual curvature results in a wider field of vision.

Also available – **StarLite-SM™** – same styling as the **StarLite™** but with a frame width that is 10% smaller. Ideal for workers with thin or narrow facial profiles.

Gateway
SAFETY, INC.

StarLite™

Snug-fitting unitary front with dual 9.75 base curvature offers wide, unobstructed vision. StarLite™ Protective Eyewear is low-cost all-around impact protection.

StarLite-SM™ – 10% smaller for workers with smaller facial profiles.

StarLite™ Features

- Incredibly light, all-around impact protection.
- Popular design resembles sunglasses; men and women love the style, helping to ensure worker compliance.
- Economically priced to fit any budget.
- Scratch-resistant, hardcoated 100% polycarbonate lenses feature revolutionary, dual 9.75 base curvature viewing areas for wide, unobstructed vision.
- Snug and comfortable fit. Tight fit helps minimize slippage and provides full brow protection.
- Deep, universal-fit temples provide side protection equal to that of eyewear with large sideshields.
