Serious Protection. Affordable Price.

The Z-Series, by Gateway Safety, is a complete line of disposable hearing protection. Employees will love the soft and comfortable fit. Bright colors will help supervisors monitor compliance. High quality products at excellent prices help protect the bottom line.

SoftPlugz™, with a 29 NRR, feature a special non-allergenic and moisture resistant polyurethane formula that is soft, easy to roll between fingers and an effective noise seal.

Made with a slow recovery PVC material, **RedHotz™** provide a gradual recovery time, resulting in effective and consistent 29 NRR protection.

One of the highest rated earplugs available, 31 NRR, **GloPlugz™** feature a smooth, tapered design that makes insertion incredibly easy.

Z-SERIES™ DISPOSABLE HEARING PROTECTION

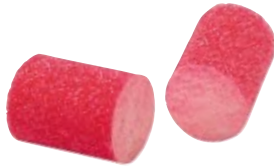

SoftPlugz™

Part#	Product Description	NRR	Standard Packaging
91002	Uncorded/Barrel/Polyurethane Earplugs; Polybagged	29	200 / Box
91012	Corded/Barrel/Polyurethane Earplugs; Polybagged	29	100 / Box
91005	Uncorded/Barrel/Polyurethane Earplugs; Bulk Pack	29	500 / Box

- Tested by an independent, NVLAP accredited laboratory – 29 db NRR
- Standard barrel shape, with a slightly longer design that allows for deeper insertion and a more secure fit
- Special non-allergenic and moisture resistant polyurethane formula provides a very reliable sound barrier
- Extremely soft and easy to roll between fingers, insertion is simple
- Hi-viz orange plugs are the ideal solution for supervisors monitoring compliance
- Available with or without a bright yellow breakaway cord that encourages workers to use their hearing protection

RedHotz™

Part#	Product Description	NRR	Standard Packaging
91102	Uncorded/Barrel/PVC Earplugs; Polybagged	29	200 / Box
91105	Uncorded/Barrel/PVC Earplugs; Bulk Pack	29	500 / Box

- Tested by an independent, NVLAP accredited laboratory – 29 db NRR
- Standard barrel shape and length is ideal for most ear canals
- Economical PVC formula is soft and comfortable, but still cost effective
- Gradual recovery time provides a consistent, low pressure fit and seal
- Brilliant red plugs are easy to see, making compliance checks a snap

GloPlugz™

Part#	Product Description	NRR	Standard Packaging
92202	Uncorded/Tapered/Polyurethane Earplugs; Polybagged	31	200 / Box
92212	Corded/Tapered/Polyurethane Earplugs; Polybagged	31	100 / Box

- Tested by an independent, NVLAP accredited laboratory – 31 db NRR – one of the highest rated earplugs available!
- Extremely smooth, tapered design allows for incredibly easy insertion
- Non-allergenic polyurethane formula is extraordinarily soft and comfortable
- Self adjusting design exerts very little pressure on the ear canal
- Vibrant blue plugs make compliance checks straightforward and trouble-free
- Available with or without a dazzling purple breakaway cord that helps employees keep plugs close at hand
